

NEW ERA ESTATE PUBLIC EXHIBITION

**Dolphin Living
would like to invite you
to a public exhibition
about our plans to rebuild
the New Era Estate.**

Dolphin Living acquired the New Era Estate in 2014 and have been working with residents to decide how best to improve the estate since taking ownership. As a 1930s building, there are many on-going maintenance issues that make it difficult to provide the safe and healthy living environment we strive to provide for all Dolphin Living residents.

Earlier this year with the support of its tenants Dolphin Living decided that rebuilding New Era was the only way to deliver all the improvements the estate needs, and is the best option to provide more homes for working Londoner's in Hackney at rents they can afford.

Since announcing the plans, Dolphin Living have been working with New Era residents on the plans to rebuild the estate and we would now like to share our plans with members of the local community.
